PS6040 — Round Robin 56"X 56"

№ 6047 18 Black

№ \*6042 18 Black

When I sat down to draw this new line I knew I wanted to encircle the center design motif with a repeating border. After doodling different images and shapes my designs seemed to have a similar thread – home and gardens. And what garden would be complete without a singing Robin Red Breast or two? Spring was slow to reach Portland and looking out my studio window I saw gray clouds and wished for a ray of sunshine. So I decided to mix up some bright, sunny colors to paint my design and it just seemed to fill the page with sunshine. I hope it brightens your day too! To see a video of the whole design process you can go to YouTube and search for Round Robin Moda Fabric.
